

FUTUREHEADS EVENT SERIES

FREE KIDS SNOWBOARD FREESTYLE COACHING WITH HEAD SNOWBOARDS

A day dedicated to the little shredders out there. Join us and spend one day as FutureHEAD together with HEAD Snowboards on the mountain. In addition to new friends, a free lift card, and the possibility to test the latest snowboards, experienced snowboard coaches from the Ski- and Snowboard School Sudelfeld will help you expand your snowboard abilities in the slopestyle park.

ABOUT THE FUTUREHEADS PROGRAM

HEAD focussed on youth development since its inception – offering an easy, positive, and fun on-snow experience for kids, juniors, and their families and therefore creating a sustainable future for winter sports.

The FutureHEADs Youth Program is all about next-generation snowboarding. It includes its own global junior snowboard team that brings together some of the most promising young guns in snowboarding. They can entirely focus on their progress in snowboarding thanks to the product and brand support. The kids learn how to polish their self-marketing skills and to initially take root in the snowboarding scene. Additionally, they collect the first experiences of a professional snowboarder, like traveling and shooting on the mountain together with the Futureheads Team. By showing the outside world what snowboarding is about and what keeps them going, they empower the sport and inspire the new generation to go out and ride.

Due to the success and popularity of the FutureHEADs program HEAD Snowboards has teamed up with Actionwelt Sudelfeld this season to offer a day as a FutureHEAD on the mountain to children outside their junior team. Actionwelt Sudelfeld integrates a Kids Slopestyle into their park set-up to invite the next generation to spend their free time on the mountain and have a lot of fun together

In addition to new friends and a free lift card, experienced coaches from the local snowboard schools will help the members expand their snowboard abilities in the slopestyle. The participants can test HEAD snowboards and bindings on snow for free.

So better be there to spend an unforgettable day as a FutureHEAD on the mountain together with HEAD Snowboards.

IMPORTANT INFORMATION

- 16 participants only per event
- Save yourself one spot by downloading and signing the application form and sending it back to kathi.acham@de.head.com. The principle of “first come, first serve” is in effect. A legal guardian is required for a child’s registration in the morning and pick-up in the afternoon.
- An acceptable warm and waterproof dress is required to participate. Please dress children in layers (no cotton base layers) with waterproof outer layers before registration. Being dressed properly is the first step to making a day on snow awesome. Besides, every child needs a helmet and goggles for their safety during the event. Please also bring your own snowboard equipment (snowboard, boots, bindings, helmet).
- The participating child should already have a certain level of snowboarding (riding curves and lift on its own)
- To guarantee successful training, the kids will be divided into two groups depending on riding level and children’s age
- Coaches will ensure participants take adequate breaks
- The event will take place in all weathers; extra breaks and the possibility to warm oneself up indoors will be provided if the weather turns extreme
- Each child or its legal guardian is responsible for its meals. Each child should have enough drinks and snacks, such as cereal bars or fruit, for in between. During the lunch break, all participants and the coaches will go to the previously agreed upon hut/restaurant to have lunch together. If offered, discounted meal vouchers for a lunch consisting of one meal and one drink can be purchased at the registration desk.
- Any questions in advance please contact: kathi.acham@de.head.com
